

# PRIVACY POLICY

Our customers' privacy is critically important to our company.

MaryLisaFamilyCleaningCompany, LLC does not rent, sell, or share out details or information from our customers to any third party for any purpose.

This Privacy Policy regulates the methods we use to gather, operate, maintain, and reveal data gathered from users (each, a "User") of our webform ("Form"). All products and services which are offered on our Site are included in this Privacy Policy.

# Collection of information

Any communication with our company, including emails, online chats, and any data associated with you may be attached to your personal profile.

## Personal identification information

Personalized User data is gathered when a User interacts with our Form starting when a User, visits our webform. User data is also collected when the User, creates an order, fills out a form, and supplies us with information that we gather in preparation to provide services, features, or resources described on our Form.

To serve our customers, we request that

each User provide us with personal information, including name, email address, mailing address, phone number, and credit card information. It is possible to visiting our webform anonymously. We gather data only when the User requests information or enters into an agreement with our company.

## **For which purposes we collect information**

We are permitted to gather and operate Users' personal information in these cases:

1. To deliver better customer service. All provided information helps us respond to User service requests and support User needs more efficiently.
2. To individualize the experience of every

User. User information helps us learn which services and resources users prefer.

3.To upgrade our Form. User information helps us upgrade our WebForm to better reflect the preferences of our Users so we can provide better services.

4.To handle payments. Information provided when a User is booking a service will only be used to provide service for a single order. This information will not be shared with any third party.

5. To communicate. User information is used to communicate essential information and updates relating to your services with our company. We use User email addresses in offer to respond to questions, requests, or to communicate with Users who willingly subscribe to our newsletter for updates, news, and service information.

# User acceptance of these terms and changes to this Privacy Policy

When a User interacts with our WebForm, they automatically accept our current Privacy Policy and Terms of Service. If a User disagrees with our Privacy Policy, they are asked to cease using or interacting with our WebForm. We have sole discretion to amend this Privacy Policy at any time.

Once we announce changes in our Privacy Policy and you continue to use our WebForm, you are automatically agreeing to our policy. All Users acknowledge and agree that it is their responsibility to review this Privacy Policy.

# Contacting us

If you have questions about our Privacy Policy or encounter difficulties using our WebForm, please contact us by email or phone.
